

# Stelling Minnis CE Primary School

## Newsletter

Thursday 28th March 2024

It has been another action packed term here at Stelling Minnis Primary School. The children have had some wonderful learning experiences and have been keen to share their learning with me. It was lovely to see parents and children come together to partake in our whole school Easter Service. Have a wonderful break.

*Mrs Simmons: Headteacher*

### PTA News

Our PTA raised over £1700 recently and our grand total stands at just over £5700. We are confident it won't be long to get to our £8000 target! If you know of any companies offering sponsorship— please let us know!

We are grateful to our PTA for sourcing chocolate eggs for our Easter Egg Hunt which were kindly donated by Morrisons Supermarket.

### Parking

Please remember to help keep everyone safe and reverse park in our car parks and keep the yellow lines clear.

### Easter Events

Our annual Easter Events were a great success. The children enjoyed the Easter Bonnet Parade with their impressive bonnets and all the children enjoyed sampling the delicious cake entries made by our children in KS2. A lovely afternoon was had by all and we are very thankful to our parents and carers for supporting the children at home with their entries.

We are sad to say goodbye to Reverend Louise but we look forward to working with our new Parish Vicar, Rev Dawn Stamper

### World Book Day & Travelling Book Fair

What a day we had to celebrate World Book Day 2024! Our theme was “dotty” and the children had a great day sharing our story “the dot” and exploring different activities working with children from different classes. A special mention to those in our community who decided to go the extra mile going dotty with chicken pox too! Our author visit was also enjoyed thanks again to our

PTA for organising.

Thank you for your support with our Travelling Book Fair. We were able to raise over £200 for the school which we will invest in more high quality texts for the children.

### Bossingham Pre-School

We are pleased that the school is now managing the nursery. Hannah Brown will be nursery manager and our school staff and governors will be supporting the nursery moving forwards. Places are available and we have opened the baby room. Any enquiries, please phone the school office.

### Reception Places

If you know someone who is looking for a reception place in September, please let them know we have a few places left in our wonderful small village school. We are more than happy to offer a tour around our setting.

### Diary Dates

These will be confirmed at the start of Term Five. We look forward to seeing you back on Monday 15th April. Happy Easter!
