

Otters Class Newsletter

Friday 26th January 2024

What has been happening this week?

In **English**, we have written letters to the King asking him to ban or change something about our country as well as debating whether or not we should ban the dark – a problem which is inspired by our class text.

In **Maths**, we have been dividing to give remainders, linking our multiplication and division facts as well as completing our multiplication and division unit.

In **Science**, we had a visit from a STEM ambassador who helped us to understand more about light and dark. The children explored different types of light sources and measured light using a light model.

In **Topic**, we explored different Anglo Saxon artefacts, making predictions about what they were and how they were used.

Celebrations & Pupil Voice

Work on the Wall: Roman for his amazing use of language in his letter to the King and Harry for making huge improvements in his reading paper and generally doing really well with all his work this week.

Headteacher's Award: Rehan for persevering and putting more effort into his work and Finlay for showing love and perseverance in all of his work and having a great attitude to learning, especially since Christmas.

Swimmer of the week: William for his fantastic swimming skills!

Shining Stars: Harry x2, Ruby x2, Orson, Ed, William x2, Finlay, Roman, Molly, Harriet, Erin

Pupil Voice: "That science lesson was the best lesson ever! When can we do it again?"

Reminders & Messages

Parents invited to join in with activities on Tuesday 6th February 2pm as part of our Prayer & Reflection Week.
