

Squirrels Class Newsletter.

23rd January 2026

What have the Squirrels been up to this week?

- In **RE** we were looking at the story of Matthew the tax collector and what it means to Christians.
- In **English**, we were looking at the illustrations of Beegu while responding and explaining how they make us feel before writing a diary entry as Beegu herself.
- In **Maths**, we have finished shape and now starting to look at addition and subtraction up to 100. We have been using base 10 to remind ourselves the difference between ten's and one's and how to add the two together.

Our core concept this term is:

Perception and Empathy

In art, we have been comparing poster paint that we used last week to watercolour this week.

In geography, we continued to use a map to identify the oceans of the world.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

Year 1: **Amy** has impressed me this week in english when we were writing questions to Beegu. She was using her phonics knowledge to help her effectively write some questions and used a question mark each time. Good job Amy!

Year 2: **Rupert** has been working really hard this week but in was so impressed in geography where he quickly and efficently wrote the oceans of the world this map and then went around the class to help others. Well done Rupert!

Our Headteacher's Award

Ava has been putting her hand up and contibuting in class, she has been so courages and really found her voice. We are really proud of you Ava.

Our Pupil Voice

Noah: are we reading more pages of Beegu today? I want to know what happens.

Important Information:

- PE is on Tuesday afternoons.
- Welly Wednesday is on Wednesday mornings.
- Please remember with the wet weather, to make sure your children have clothes to keep them wrapped up and maybe spares in their bag.
- Thank you for those that have sent in old uniform. We really apricate it. We are low on trousers/joggers/leggings, if we have sent any home with your child. Please send them back in.

Teacher Message:

I hope you all have lovely weekend and the wet weather becomes...a little less wet.

Please continue to point our numbers when out and about. It really helps with number recognision.
