

Badgers Class Newsletter.

Friday 3rd October 2025

What have the Badgers been up to this week?

- We have continued reading War Horse as a class. This week the children have written a description of what a WW1 trench is like.
- In GPS we have been looking at different words classes.
- In Maths we have had daily arithmetic - our focus has been on multiples and prime numbers.
- We had a super fun history lesson in the hall recreating a battle scene and no-man's land. I hope the children will tell you all about it.
- In Science we have explored shadows and how when light is cast does the shadow appear in the same shape as the object.
- In RE we looked at the book of Issaih and how God is described in the text.
- This has been a busy week with bike-ability, preparing for the grandparents tea, Harvest preparations and we have also had groups working hard gardening to improve some of our outdoor spaces. Thank you everyone for all your hard work.

Celebrations and What the Badgers have to say...

For our 'Work on the Wall' - this week we are celebrating **Molly** and **Barney**. I have chosen Molly for the effort she put into creating her final edit of her Warhorse story, I am super proud of you. I have also chosen Barney for his awesome attitude to learning and this week in RE he showed great understanding of the bible text and formed his own ideas from it. Well done.

Our Headteacher's Award Goes to **Ava** - she is always so super helpful, encompasses all our values. The adults leading Bike Ability also mentioned how well she had got on! Well done super star!

Our Pupil Voice:

A message from Harriet, "The best bit of this week was our lesson on the Battle of the Somme in the hall. It was so much fun. And bike ability was great too!"

Important Information:

- Wednesday 8th October 2025 - Badgers Class Worship- 9:10-9:30am.
