

## Badgers Class Newsletter

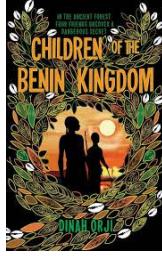

Friday 19<sup>th</sup> December 2025

What have the Badgers been up to this week? A week full of Christmas cheer - Christmas puzzles, number challenges, building igloos, making Christmas cards, watching a Christmas movie, singing carols, Christmas crafts, Christmas cooking and a BIG Christmas quiz! I'm sure there are some things I have forgotten too!

### Things to watch out for in 2026!

- Our new class book - Children of the Benin Kingdom.
- Our new core concept for the spring term is - Perception and Empathy.
- In History we will be looking at this key question - What were the experiences of those in the Slave Trade?
- Year 6 - I will start offering booster group sessions for targeted groups in preparation for the SATs. Letters will go home in January.

### Christmas is near...

As Christmas time draws near again,  
I pause to smile and say,  
How grateful I have been this term  
To learn and grow each day.

Your children's cheer and curious minds  
Have brightened all we do,  
And every step they've taken  
Shows their confidence shine through.

Thank you for your kindness  
And support along the way—  
It means the world to all of us  
More than I can say.

So as the festive season starts,  
May joy and peace be yours;  
May laughter fill your holidays  
And warmth be at your doors.

Wishing you a Merry Christmas  
And a Happy New Year too—  
From my classroom to your family,  
Sending a heartfelt thank you.

Love, Mrs Jessup xx
