

# Badgers Class Newsletter

Friday 18th October 2024

## What has been happening this week?

**In English**, the children have continued to enjoy their learning on the Adventures of Odysseus. This week we have read about Odysseus' return to Ithaca. The children write in role as Odysseus about his emotional reunion with his son, Telemachus.

**In Maths**, the children have been learning about multiples and factors, as well as using these to reason and to solve problems.

**In DT and History**, we have been making papier-mâché pots in the style of the ancient Greeks. The children have shown huge perseverance in the face of balloons popping whilst trying to papier-mâché them! We now have a selection of vases to decorate with patterns, myths, events or people from ancient Greece.

**In Science and RE**, we talked about the interaction between science and religion over creation, evolution and the Big Bang.

**In PE**, the children have continued to have lots of fun developing their basketball skills.

## Celebrations

**Work on the Wall:** Milo and Willow for excellent emotive writing as Odysseus.

### Headteachers Awards:

- Ava for excellent in maths, writing, art and everything this week.
- Archie being a great help to his friends and to adults alike this week.
