Friday 19th January 2024

What has been happening this week?

In **RE**, we explored the Christian celebration of Christenings. We had a great discussion about this and came up with lots of questions!

In **English**, we have looked at different poems and then wrote our own inspired by the light or the dark. We made these poems into a book. I couldn't be prouder of their hard work!

In **Maths**, we have been multiplying and dividing a two-digit number by a one-digit number. We have learnt various ways to do this.

In **Art**, we used cardboard to make Anglo Saxon crosses.
