

Stelling Minnis C.E.P. School

Volume 126 Issue 4

Friday 27th January 2023

Dear Parents/Carers

It was wonderful to see and chat to so many of you this week during Parent Consultations. A good partnership between school and parents really does support children in their learning and development so thank you for attending.

The children have been busy this week. Squirrels have been looking at bees and Otters have been watching in awe at spiders spinning webs. This is all part of literacy learning using engaging books and exploring themes arising from them.

Tag Rugby had a second session this week. There are still places if your child would like to join in on Wednesdays after school.

Thank you to everyone who has made the effort to reverse park this week in the car park. It does make a difference to the safety of the children. Thank you also for respecting the need of some to use the disabled parking bays. I speak from personal experience how frustrating it is if you cannot park safely with a blue badge.

Thank you to the Friends for their fundraising efforts. Tonight, they have organised a Wine and Wisdom evening. I just hope the questions are not too challenging!

Finally, I recognise there has been a lot of sickness this term and last. Regular attendance is important for success in school so please bear this in mind for children who may feel 'a little under the weather'. We will always call you if your child feels really poorly during the day. Have a good week
Julie Simmons
