

Squirrels Class Newsletter.

12th June 2026

What have the Squirrels been up to this week?

- In **RE**, we looked at how we fit in and where we feel like we belong. We then discussed how Jewish people feel apart of their community and how they belong as well.
- In **English**, we have been writing our information booklet based around bees. Not just because I love bees...but also because in our new story there is a talking bee that shows a young girl the countryside.
- In **Maths**, we have started our unit of fractions. The squirrels have shown me just how clever they are and how quickly they have understood fractions by using their timetable knowledge from previous terms.

Our Core concept this term is:

Celebration and Change

In **DT**, we explored shadow and stick puppets, and we compared them to the puppets from last week, thinking about 'can we show feeling?' whilst using puppets or are they easy to use.

In **History**, we looked at how toys have changed across time and we tried to identify old and modern toys.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

Year 1: **Mina** has completed some fantastic homework this week. She (with help from her Mum) has baked some cakes and cut them into fractions. We really enjoyed hearing about it and seeing your photos. Thank you Mina.

Year 2: **Stanley** has been trying really hard to work more independently this term. In English, he has completed some lovely sentences all by himself this week and we are so proud of you Stanley.

Our Headteacher's Award

Holly is always showing a love of learning, whether it is at school or at home. She challenges herself in every subject and the amount of homework we receive is incredible. Holly said to me the other day 'I just love to learn' and it is a pleasure to feed your knowledge.

Our Pupil Voice

Archie: sorry Miss Smithson but this fraction work is too easy!

Important Information:

- PE is on Tuesday afternoons.
- Welly Wednesday is on Wednesday mornings.
- Friday 19th June, Father's Day breakfast.

Teacher Message:

I am sorry if I do not always reply when being sent homework but I promise I am grateful and I always make a fuss of the children.

Well done to the year 1's and retakes blowing us away with their Phonics Screening Check this week.
