

Otters Class Newsletter

Friday 4th October 2024

What has been happening this week?

In **RE**, we discussed why humans were created last in the Creation Story and explored what makes our world wonderful.

In **English**, we created our own comic strips and looked at Ug's emotions throughout the story. Also we came up with similarities and differences between our world and Ug's.

In **Maths**, we started our addition and subtraction unit by recapping our number bonds, bridging ten and then beginning to add numbers together using column addition.

In **Spanish**, we learnt our numbers up to 100.

Celebrations & Pupil Voice

Work on the Wall: Nigel and Roman for their great comic strips.

Headteacher's Award: Louis for showing all the school values and being a really mature Otter and Orson for persevering and doing so well with his writing.

Shining Stars: Isla, Louis, Molly, Zakir x3, Georgie x2, Rehan, Rosie

Pupil Voice: "I can add big numbers using column addition."

Reminders & Messages

Farming Thursday 10th October – Children will need wellies and clothes that can get muddy/wet. They can come to school dressed for the farm but bring their school uniform to change into. Children will also need a water bottle and snack that they can carry – no crisps, sweets or chocolate bars.

Thursday 17th October – Open Afternoon from 1:30pm – All Welcome!

Monday 21st October – School Photographs
