

Squirrels Class Newsletter

Friday 15th November 2024

What has been happening this week?

In English... This week we have started our new book 'The Adventures of Egg Box Dragon' and we have been visualising, describing and designing dragons!

In Maths... We have been learning about fact families and how we can switch the numbers in addition and the total will still be the same. We are now able to make 8 different number sentences from a simple addition!

In Topic ... We designed and made our dragons using a range of joining techniques. We have learned how to use slits, flanges and tabs to ensure that our joins are strong.

Celebrations & Pupil Voice

Head teacher award– Amelia for showing lots of perseverance when making her dragon. Zac for showing all our school values this week.

Work on the Wall– Jenson for an excellent dragon design and Millie for her super maths work.

Reminders & Messages

In your child's bag you will find a homework overview for the term. I hope you find the tasks enjoyable with your child as they are activities that are fun and family friendly. If your child find it very stressful please do not feel that you must complete them. The spellings are not formally tested.

Year 2 parents will find that you have colour banded books as the children are not working on whole year group reading sessions as a transition from decodable books to a wider range of texts. If you have any difficulty with these books please let me know.
