## What has been happening this week?

**In RE...** We have enjoyed a wonderful Prayer and Reflection week with art activities, prayer time, an Ash Wednesday service led by Rev. Dawn and a walk to Stelling church. We enjoyed pancakes on Shrove Tuesday and talked about ways to help others during Lent.

**In English...** We have learned the title of our new book Moth An Evolution Story by Isabel Thomas, illustrated by Daniel Egneus.

**In Maths...** As part of our multiplication block we have been learning how to make arrays and multiplication sentences.

**In History...** We are continuing with our learning on Charles Darwin.

**In Art ...** We had a lot of fun making textured paper inspired by the work of Eric Carle.

**In Science...** We went for a walk with our view finders to spot and then draw signs of Spring.

**In PE...** We are learning how to play hockey.
