

Badgers Class Newsletter.

Friday 19th June 2026

What have the Badgers been up to this week? In Maths we have revisited long multiplication -

we have worked independently with various questions and in pairs also. In English we have been really busy working on our writing - our Hindleap reports are now complete. The children have started a writing piece inspired by 'The Day the Crayons Quit', they are writing a letter in role as an object; thinking about if that object had a voice what would it complain about. In RE our unit is on Judaism and what it means to be Jewish in Britain today - the Badgers have been finding out about core Jewish beliefs. In Science we have started a unit this term on Inheritance and Evolution - the children recorded how genetics work and thought about what they have inherited from their parents (you guys!). And Matilda rehearsals are now in full swing!!

Our new core concept for the Summer term is:

Celebration and Change

This week the Badgers looked at maps of the local area and had a go at creating their own map of the school using a key and OS map symbols - great job everyone! In Art this week the children continued with their study of artist Niki De Saint Phalle - the Badgers will be creating their own sculpture this term - a celebration of themselves - the Badgers began planning their designs and colour choices this week.

Celebrations and What the Badgers have to say...

This week For our **'Work on the Wall'** - this week we are celebrating **James** and **Amelia**. Both James and Amelia have worked extra hard on their Hindleap reports. James has used all the features of a non-chronological report and great language - well done! Amelia has worked so hard and independently on her writing to create an excellent extended piece - I am so proud of you.

Our Headteacher's Award - this week I would like to celebrate **William** - William has been a superstar this week, working hard to earn as many shining stars as possible by helping out, volunteering or contributing to the learning. Well done.

Our Pupil Voice: "Yes I am excited... because I just LOVE evolution" Guess who said this in the Badgers class?

Important Information:

- Please see Mrs Buss big list of important June dates on **dojo**.
- Monday 29th June- Sport's Day 2-3:20pm.
- Monday 13th and Tuesday 14th July - KS2 production, 6pm.
- Leavers Worship (Year 6 only) - Save the date! Friday 17th July 2026 .

Teacher Message:

Have a super weekend! Next week looks like a warm one ; please don't forget sun hats, suncream and water.

Love, Mrs Jessup xxx
