

Otters Class Newsletter

Friday 14th November 2025

What has been happening this week?

In **RE**, we have explored two different Sikh stories and discussed how they help Sikhs today.

In **English**, we have learnt about clauses as well as explored Arthur's study, drawn maps of our locality and researched and created fact files on Egyptian God and Goddesses.

In **Maths**, we have learnt the 3,6,9 and 7 Times Table

In **History**, we explored trading in Egypt and had a go at trading deals ourselves.

This week's theme in Collective Worship was remembrance and helping people

Celebrations & Pupil Voice

Work on the Wall: All of Otters for their contributions to our exploration of Arthur's study. Something that should have taken 10mins, took 40 because the children were so engaged and even developed their skills of foreshadowing (a secondary school English skill).

Headteacher's Award: Marcella for showing courage and progress in her maths and phonics.

Shining Stars: All of Otters have gained a shining star this week!

Pupil Voice: "Can we do some more English, I don't want to go home!" - Mia

Reminders & Messages

Wednesday 26th November: Otters Class Worship – parents welcome at 9:10

Friday 28th November: Christingle Service 2pm.

I have sent home Christmas Card forms this week and online is all the details about ordering your child's Christmas card.
