

Badgers Class Newsletter.

Friday 7th November 2025

What have the Badgers been up to this week?

- We have continued with Shackleton's story with 'Ice Trap' - the children have sequenced events, written in role as a crew member and focused on using more challenging vocabulary in our writing.
- In GPS we have been working on relative clauses
- All of the Badgers have worked so tremendously hard this week on long division - it has been amazing to see some of

the children going from being so unsure to absolutely nailing it. Well done. To finish the week we started looking at answering multi-step problems.

- We have continued with our daily arithmetic.
- In Geography the Badgers looked at the lines of latitude and longitude.
- In Science we did an experiment to see what material would best insulate a cup of hot water hot for the longest period of time. We tracked the temperature with a thermometer and recorded the results every ten minutes for 30 minutes.
- In RE we read scripture and looked for clues about what life for a Hebrew slave must have been like.

Celebrations and What the Badgers have to say...

For our 'Work on the Wall' - this week we are celebrating **Harvey and Brooke**. This week in Maths we have focused on Long Division! Harvey worked so hard in Mrs Handford's group and really impressed us both. I have also chosen Brooke whose long division has been incredible!

Our Headteacher's Award is for **Amelia** - Amelia shows and encompasses all of our school values. She is so kind and caring and always looking for ways she can help others. Well done Amelia.

Our Pupil Voice: "Mrs Jessup, you've made long division easy" :D ★★★★★

Important Information:

- PE on a Tuesday.
- We will still be having our 'Forest Friday'.
- Tuesday 11th November - walk to the war memorial (Bossingham Village Hall).
- Children in Need - Friday 14th November - see dojo for details.
- Keep an eye on dojo for details of the yearly overview which include everything we will be covering this year.

Teacher Message:

Have a lovely weekend! And a great time at the disco to all who are going. Mrs Jessup xx
