

Otters Class Newsletter

Friday 3rd October 2025

What has been happening this week?

In **RE**, we have looked at covenants and explored promises we could make to ensure the classroom and the world is a better place.

In **English**, we have predicted what we think will happen at the end of the story as well as writing in role as the character of Stacey de Lacey.

In **Maths**, we have learnt how to do column addition with exchanging for up to 4 digit numbers.

In **Science**, we froze a variety of liquids to see if it changed state.

This week's theme in Collective Worship was patience.
