

Squirrels Class Newsletter.

10th July 2026

What have the Squirrels been up to this week?

- In **RE**, we finished our unit on Judaism. What wonderful open-minded children we have! I have loved hearing them discuss Jewish holidays and traditions with such respect and kindness. We have learnt so much about the Jewish faith the past two terms.
- In **English**, we have been writing our own story based on our class text. It has been brilliant to see how much progress the Squirrels have made this year. Watching them write their last big bit of writing was a pleasure.
- In **Maths**, we have been looking at mass this week. Measuring in grams different things in the classroom before the year 2's went onto kilograms. Thank you to Miss Lee for fetching the box with all the weights in. I, honestly, did not realise how heavy it would be...I promise.

Our Core concept this term is:

Celebration and Change

In **DT**, we made our finger puppets from our design. What ~~chaos~~ excitement was had by all.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

- Year 1: **Saaya** this week has completed some of her best writing this year. She has taken on board everything given to her and had a go at some lovely independent sentences. Well done, Saaya.

- Year 2: **Archie** has shown us he is ready for Otters this week in maths. I was so impressed when he used his small numer knowledge to help him find the pattern for bigger numbers. Wow, good job, Archie.

Our Headteacher's Award

Roscoe is a pleasure to have in the classroom, he is funny and curious in all aspects of school life. He is the sort of child that makes school a happy place. Thank you, Roscoe,

Our Pupil Voice

Teacher Message:

Another week gone and another week that the Squirrels have made us proud. What incredible, excellent representatives we have. Maybe I am getting soppy at the end of the school year but us adults gushed about how wonderful they were.
