

Squirrels Class Newsletter.

22nd May 2026

What have the Squirrels been up to this week?

- In **RE**, we looked at the Jewish Creation Story. I was so impressed with the Squirrels knowledge of the Christian Creation Story and we discussed their similarities.
- In **English**, we have been writing our own Traction Man story. I have been so impressed by their writing and all the adventures their own characters have gotten up too. This has led to brilliant writing that has made me smile with all the brilliant characters the children have created.
- In **Maths**, we have been looking at money. We have had so many discussions about money this week. Us adults have said we do not have change anymore (I NEVER have change), some children have said their adults only use their phones to pay. Money is such a funny concept now. If you have any opportunities to show your children money, please do.

Our Core concept this term is:

Celebration and Change

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

-Year 1: *Fen* has been so engaged when looking at money this week. He has been working out how to make a certain amount of money really well. Well done, Fen.

-Year 2: *Rupert* has had a great attitude in english this week. After a discussion, he decided to re-write his whole story as he wanted to make it better. Fantastic, Rupert.

Our Headteacher's Award

- *Amy* always wants to do her best, doesn't matter the lesson or activity, she tries so hard in everything she does and she is such a pleasure to watch. Thank you, Amy.

Our Pupil Voice

Year 2's: we love coming to the farm!
