

Badgers Class Newsletter.

Friday 22nd May 2026

What have the Badgers been up to this week?

I cannot believe we have finished term 5, where has this year gone? In Maths this week we have had a go at a variety of problem solving tasks, we have finished our book Rose Blanche, the children have written secret conversations between characters. The children have also had lots of time to start preparing for Hindleap also. They are all very excited for their residential!

Our new core concept for the summer term is:

Celebration and Change.

This week we looked at secondary sources – all about when a spitfire lost control and hit a bungalow in Stelling Minnis! This happened 1st September 1940! It was so interesting to read about – the children created some beautiful spitfire artworks. Some of these will be displayed in the hall. On Wednesday the children also had a great DT lesson to repurpose their t-shirts into bags! They were very successful, well done.

Celebrations and What the Badgers have to say...

This week For our 'Work on the Wall' - this week we are celebrating **Orson** and **Finlay**. Last Friday afternoon Orson had a spectacular afternoon teambuilding and worked so well in a team. He has had another great week in class and continued to work super hard and engaged alongside his peers - Mrs Handford and I feel so proud! Well done. We are also celebrating Finlay, the children for his exquisite painting of a spitfire - it is stunning, well done Fin!

Our Headteacher's Award - this week we want to say a big well done to **Bonnie**! Bonnie always works so hard on her homework but she has done a lovely piece on how she's been showing the school values outside of school - well done for always shining your light.

Our Pupil Voice "I think this is the first time I have been happy and stayed working in a team" Orson 😊
