

Otters Class Newsletter

Friday 12th July 2024

What has been happening this week?

This week, I set the children the task of teaching something that they would like the rest of the class to learn. They really embraced this challenge and we learnt about a wide range of subjects including Hinduism, sports cars, ships, French and staging.

Of course, we also had the school play – the dress rehearsal on Monday afternoon and the two evening performances on the Wednesday and Thursday. The children did us proud and were absolutely amazing! Thank you for your support with costumes too.

Celebrations & Pupil Voice

Work on the Wall: Rehan for his informative lesson on sinking ships and Milo for his interesting information about cars. Well done to all the children who taught a lesson!

Headteacher's Award: Mrs Spencer, Mrs Cannell and I would love to give a Headteacher's Award to all the children for showing all the school values in the play.

Shining Stars: All of Otters.

Pupil Voice: "That was the best thing ever!" – referencing the play
