Friday 6 June 2025

What has happened this week?

RE— This term we are looking at special books in a number of faiths and this week our focus was the Qur'an.

Physical Development ... The children are enjoying being out on the field practising running, throwing and jumping skills.

Communication and Language/ Literacy ... We have all really enjoyed reading our new text, The Naughty Bus.

Mathematics... We have been exploring sharing and equal and unequal groups

Phonics—We continue to revise all the Phase 3 GPC's and tricky words and practised chunking longer words. The children have done some excellent reading in groups too. It's great to see so many children blending in their heads and reading with automaticity.

Expressive art and design — Lots of bus drawing and designing this week.

Reminders & Messages

Worship this week: Our focus has been patience and on Wednesday the children were told about a surprise at lunchtime. They were all very patient and were rewarded with strawberries and a chocolate given by one of our very generous church leaders.

Work on the Wall: Amy for her detailed and well drawn picture of a double decker bus.

Headteacher award: Saaya for her beautifully composed and spoken prayer in Worship.
