## What has happened this week?

RE—We have begun to look at some special stories in the Quran—this week we acted out the story of the Crying Camel.

Physical Development ... The children are enjoying being out on the field practising running, throwing and jumping skills.

Communication and Language/ Literacy ... The children have engaged enthusiastically with our text ‘The Naughty Bus’. We have talked about the book, used pictures as stimuli and produced some great writing.

Mathematics... We have been exploring pattern and begun to understand that a pattern must follow a rule.

Phonics—We continue to revise all the Phase 3 GPC’s and tricky words. We have been really concentrating on automaticity and reading words automatically without having to blend out loud or in our heads!

Expressive art and design — There has been a wonderful range of child led art produced in the indoor and outdoor environments this week.

## Reminders & Messages

Worship this week: This week we have focused on Community and what it means to be part of a community but also how we are all different and how wonderful this is!

Work on the Wall: Holly for her brilliant independent writing about the Naughty Bus .

Headteacher award: Roscoe for settling in so well and showing all the school values.
