

Otters Class Newsletter

Friday 21st June 2024

What has been happening this week?

In **English**, we have planned, drafted and discussed a recount of our class trip. The purpose of this trip was to explore modes of transport that help our world that the children may have seen but never got to explore.

We explored a QMB vehicle (there is only two of these in the country and they are both housed at Stanford Depot), a traffic officer vehicle, a gritter, a crane, a loader and got to see the 250 tonnes of salt in the salt barn ready for winter. The children behaved beautifully and they all had an amazing time!

In **Maths**, we have finished learning about decimals as well as starting area. The year 3s have done some more mass and capacity.

Celebrations & Pupil Voice

Work on the Wall: Harvey and Ruby for their great recounts of our class trip.

Headteacher's Award: All of Otters for showing all the school values while on our trip. We are very proud of you!

Shining Stars: Milo, Finlay, Molly

Pupil Voice: "Can we come here again next week?" "I had so much fun!"
