

Squirrels Class Newsletter

Friday 28th March 2025

What has been happening this week?

This week's theme in Collective Worship was Values – the children discussed what material things are valuable and ultimately what is most important in life .

In RE... We made a beautiful cross telling the Easter Story and practiced our songs for the Easter service next week.

In English... We finally got to see the end of our story! The children really enjoyed this book and had very insightful discussions about conservation, change, adaptation and survival.

In Maths... We worked on dividing and multiplying by 2.

In History... We enjoyed seeing the projects that children have been making at home.

In Art ... We started to work on our collage and made Mother's Day card.
