What has been happening this week?

In **RE**, we learned about Abraham and Sarah, we talked about how sometimes things change in our lives and how we might have to wait patiently for somethings.

In **English**, we work on prediction, 'What is Staley going to do next?' and then writing a sentence.

In **Maths**, we continued to develop our mathematical skills, adding and subtracting to work out 'How many now?' We opened a 'hot cross bun bakers' shop', to help us.

In **PSHE**, we continue to learn about relationships and how to self-regulate when we feel, frustrated, sad or angry.

Welly Wednesday, this week we had outdoor Maths and wrote a class poem in English.

In **Art**, we used nature to paint and create new master pieces for Stanley's Stick Art Gallery.
