

Otters Class Newsletter

Friday 10th May 2024

What has been happening this week?

In **English**, we finished our class text of Oliver and the Seawigs and we wrote apology letters and thank you cards from some of the characters.

In **Maths**, we finished our Shapes topic by recapping 2D and 3D shapes as well as making our own.

In **Science**, we experimented by freezing different liquids and made predictions about which liquid will melt first.

In **Topic**, we talked about why we need to treat water and how this happens as well as ways we can save water.

Celebrations & Pupil Voice

Work on the Wall: Molly and Amelia for their amazing 3D shape creations. Molly made a hexagonal prism and Amelia made a triangular based pyramid.

Headteacher's Award: Freddie and Milo for showing respect all the time in the classroom

Shining Stars: Freddie, Ruby, Milo, Harriet, Erin, Barney, William, Ava, Finlay, Harry, Amelia

Pupil Voice: "Can we make shapes every maths lesson?"

"Oh I want the story of Oliver and the Seawigs to continue!"

Reminders & Messages

Messy Church on Thursday 16th May at 2pm! All welcome!
