

Squirrels Class Newsletter.

6th March 2026

What have the Squirrels been up to this week?

- In **RE**, we looked a bit more at the Easter Story and sequenced the events to become more familiar with it.
- In **English**, we have been lucky enough to have an author, Emma Rosen, in to read and workshop her books which was fantastic. We have also looked at the story 'The Artist' by Ed Vere for World Book Day.
- In **Maths**, we have finally finished addition and subtraction for the time being, we have spent a lot of time on this, and it has been tricky, but we got there.

Our Core concept this term is:

Perception and Empathy

What a fantastic week! With a surprise trip to the farm to see the lambs, a Word Parade where we showed off our costumes to a book swap with homemade biscuits. We are so lucky to be a part school community that continues to find joy everywhere! There are always more fun things to come.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

Year 1: **Ava** worked so well for Mrs Melville on Thursday during phonics and maths, she did some brilliant listening which inturn meant she completed the work incredibly. Good job, Ava.

Year 2: **Jenson** has blown me away with our end of unit assessment. The progress he has made with his attitude to learning has been fantastic. Well done, Jenson.

Our Headteacher's Award

-**Maria** was so kind after the farm on Wednesday helping the Squirrels and the Mice out of their wellies after their walk. What wonderful Stelling Minnis spirit, just compassionate behaviour.

Thank you, Maria.

Our Pupil Voice

Amy: My word is fragile for world book day, I brought some bubbles in because they are fragile. Fantastic Amy!
