## What has been happening this week?

In **RE**, we have recapped our learning to answer our big question of 'what is it like to follow God?'

In **English**, we have planned, written and edited our big write which is a diary entry from the perspective of Iris or Oliver.

In **Maths**, we have learned how to do column subtraction with exchanging and the children have picked it up really well.

On Monday, we went on our class trip to the River Stour in which we explored the animals that live in the river as well as sorting items which should be recycled or put back in the river.

This week's theme in Collective Worship was rights and equity as we explored Black History Month
