

# Otters Class Newsletter

Friday 7<sup>th</sup> February 2024

## What has been happening this week?

In **RE**, we explored the world that Jesus wanted and came up with values that he intended for our world. We then had a go at designing our own world and our own set of values.

In **English**, we read about the miracle on the farm and have plan and started to draft our newspaper reports about it.

In **Maths**, we started our mass and capacity unit by looking at measuring in grams and kilograms.

In **History**, we looked at Hillforts and how they were designed in the Iron Age.

In **Art**, we created our own Matisse inspired collages.

## Celebrations & Pupil Voice

**Work on the Wall:** Danny and Zakir for their great designs of the world they want.

**Headteacher's Award:** May and Molly for always showing love and being helpful in the classroom.

**Shining Stars:** George, Georgie, Isla, Rosie, Freddie

**Pupil Voice:** "That was so interesting!" – in reference to the Planetarium Workshop
