

Otters Class Newsletter

Friday 11th July 2025

What has been happening this week?

We have been rehearsing for the KS2 production most of this week and it is coming together nicely. We can't wait for you to see it on Tuesday 15th and Wednesday 16th July.

Also, this week we had a lovely trip to the beach where we played in the sand, went paddling in the sea and explored some art at the Turner Contemporary.

Celebrations & Pupil Voice

Work on the Wall: All of Otters for working so hard with play rehearsals this week!

Headteacher's Award: Georgie for love because she went along the beach and collected any rubbish to stop the animals from being harmed.

Pupil Voice: "I really enjoyed going to the beach. I've never been before!"
