

Squirrels Class Newsletter.

17th July 2026

What have the Squirrels been up to this week?

What a final week we have had. We started the week by watching the KS2 performance. Wow! What a treat, the Squirrels came back from Matilda so excited to talk about their favourites parts.

On Tuesday, we were treated to puppet shows from the Squirrels as a part of their DT learning. They got up in their groups and ALL wanted to get up in front of the class to join in. Such fantastic teamwork.

Wednesday, we had our last session with Russell for the year. We cannot wait to see you again for 2026/2027! Then we got to enjoy the award ceremony for the school. Such wonderful children, winning their deserved trophies. My favourite reaction was Jenson's who won the school Raising Star award. Well done, Jenson. Very well deserved!

On Thursday, we had some time with our new classes. Year 1's stayed with us and were joined by Mice. Whereas Year 2's had the exciting adventure of popping along to see Mrs Smith in Otters. THEN, after school we had Farm Fayre. How incredibly lucky we are!

Today makes the last day of school for this year. We watched the beautiful leavers assembly, we have had our class treat AND there was a little surprise at the end of the day.

We have just about fit in some learning (and some late night football) between all these things as well...no wonder we are all tired haha.

Our Core concept this term
is:
Celebration and Change

Celebrations and What the Squirrels have to say...

I am not doing individual celebrations this week. However, I would like to say how much I have loved having the Squirrels this year. No two classes are ever the same, but this year has been unique in the most wonderful way.

Year 1s: I feel so lucky that I get to have you with me again next year. The amount you have achieved this year is phenomenal. I cannot wait to see the progress you make next year (with some fun and smelly stickers along the way! 😊).

Year 2s: What will I do without you next year? It has been a pleasure to watch you grow into children who are very ready for Key Stage 2. I cannot wait to see you continue to shine, but I will miss you all very much. Please still come and say hello and sneak in a hug as you walk past.

Important Information:

- All children are expected back on Thursday 3rd September

Teacher Message:

**Have a wonderful Summer
Holidays!!**

This year as a Squirrel!
