

Squirrels Class Newsletter

Friday 14th March 2025

What has been happening this week?

In RE... I wonder which is best the old or the new? We heard some puzzling things that Jesus showed and said about God's kingdom.

In English... We started to read our new book 'Moth' the children have been making predications about the narrative.

In Maths... We are learning how to sort objects in rows and columns and how we can add and multiply them.

In History... We are used a spider diagram to record facts about Charles Darwin.

In Art ... We have made different colours of texture paper ready to start our collage project.

In Science... We took photos of flowers outside then, used it to draw our own picture of it.

Celebrations & Pupil Voice

Head teacher award- Y1- Martha, for showing love and kindness to everyone.

Y2- Olivia, for showing perseverance in her learning.

Work on the Wall- Y1- Noah, for his amazing Maths work.

Y2- Zac, for brilliant story mapping.
