

# Badgers Class Newsletter

Friday 27th September 2024

## What has been happening this week?

The children have all made Mr Bryant feel incredibly welcome in his first week and he has loved teaching all of them! :)

**In English**, the children have continued to enjoy their learning on the Adventures of Odysseus. This week we have read about him and his crew being shipwrecked. The children painted amazing pictures of the storm, before writing some excellent diary entries in role as one of the crew.

**In Maths**, the children have continued their learning on place value with numbers up to 10,000,000. This included partitioning and working with large numbers on a variety of number lines

**In History**, we researched daily life in ancient Greece.

**In Science**, we learned about the formation of fossils and how they are essential to how scientists know about the changes to living things over millions of years.

**In PE**, the children have developed their skills in Handball and Bench-ball.
