

# Badgers Class Newsletter.

Friday 13<sup>th</sup> March 2026

## What have the Badgers been up to this week?

- In Maths this week we have looked at a range of different skills in arithmetic including, the four operations, long multiplication and long division. We have also focused on multiplying decimals by 10, 100 and 1000. In our Maths lessons we have been working out the area of triangles.
- We have also covered RE, looking into the Last Supper and studying artworks and animals in Spanish.
- Our Science we monitored the progress of our baby spider plant cuttings and took down notes of any observations and changes. We also took part in a live lesson on Friday based on farming.
- What a wonderful Mother's Day Tea we had today! The Year 6 boys were wonderful helpers and servers. We hope you all liked your Mother's Day gifts. What a special afternoon it was.

*Our core concept this term is:*  
**Perception and Empathy:** *In Geography we studied the key aspects of fair trade and unfair trade. The Badgers sorted through a range of scenarios. In DT we began planning our bat structures, thinking about materials we would want to use and what our designs would look like. The Badgers drew detailed diagrams with precise labels.*

## Celebrations and What the Badgers have to say...

For our **'Work on the Wall'** - this week we are celebrating **Harvey and Harriet** I have chosen Harvey because Mrs Mitchell told me he worked exceptionally hard on Wednesday with his Maths - he showed great perseverance and success in his learning, well done. I have chosen Harriet also this week for her wonderful writing in English. Harriet has been working hard and is really trying her best when it comes to editing and checking her own spellings, proud of you! 😊

**Our Headteacher's Award** - this week I want to celebrate **Finlay** - Finlay is such a brilliant role model to his peers, he encompasses all our school values and when he is given a job he really tries his best and puts in his best effort, a very big well done Finlay. You deserve it! 😊

*Our Pupil Voice: "Can we go to the farm yet?" I can confirm it is our turn soon!*

## Important Information:

- Please see class dojo page regarding Parents Evening slots - 17<sup>th</sup> and 19<sup>th</sup> March. Get in touch if you are yet to book an appointment.
- Please remember to keep making payments towards Hindleap - Mrs Semple is keeping track - Thank you.
