### What have the Badgers been up to this week?

- The Badgers have been editing their War Horse Narratives. In GPS we have continued workignon nouns and identifying whether a word is a noun or a verb.
- In Maths we have conitued with dail arithmetic. The Badgers have started a new unit; we have looked at adding and subtracting integers, factors and multiples.
- Like John Piper sketched beautiful buildings; we wanted to capture the beauty of our school in a sketch in art this week
- In History we have focused on finding out about life in the trenches on the Western Front during WW1.
- In RE we have explored what the Bible says about God ; the Badgers created their own acrostic poems about God too.

### Celebrations and What the Badgers have to say...

For our 'Work on the Wall' this week we are celebrating **Rosie** and **Ruby**. Rosie works hard whatever the lesson but this week she was just so thoughtful with her ideas and reflections in RE, well done. Ruby has worked hard all week from impressive homeowkr to her amazing determination in Maths this week. Well done.

Our Headteacher's Award goes to... **Fred!** I have just been really impressed with Fred this week; he has been super settled, focused and working hard. Well done!
