

Badgers Class Newsletter

Friday 8th September 2023

What has been happening this week?

In Collective Worship, the children have been reflecting on our school community and how at our school we use the foundations of Love, Perseverance and Respect to make our school strong.

In English, we have introduced our reading sessions. We have three reading skills sessions a week where we focus on fluency & Vocabulary and inference .

In Maths, we have started our topic on Place Value so that the children are able to explain the value of a digit in increasingly large numbers; We have also set out expectations for setting out work in our books and how we tackle reasoning and problem solving in class

In History, the children have begun to explore the key vocabulary for our WW1 Topic
