

# Squirrels Class Newsletter

Friday 24th January 2025

## What has been happening this week?

**In English...** This week we have been looking at poem The Sound Collector. We have learned about verbs being action words and how to add the suffix 'ing' to the verb to show that we are doing it right now.

**In Maths...** We have been learning how to add to the next multiple of ten such as  $54 + \underline{\quad} = 60$ . We had to have really good knowledge of tens and ones as well as number bonds to 10. .

**In Science...** We learned all about food chains and how the energy transfers through the chain. We are glad that we are at the top!

## Celebrations & Pupil Voice
