

# Otters Class Newsletter

Friday 20<sup>th</sup> September 2023

## What has been happening this week?

In **RE**, we read the Creation story from the Bible and then we discussed different aspects of it to help us understand why creation is important to Christians.

In **English**, we designed our own food dishes to present to Ug's parents so that he has something more exciting to eat and we presented them to the class. We worked really well in our teams and worked really hard.

In **Math**, we looked at numbers on a number line as well as estimating where numbers would go. We also had a go at drawing our own number lines.

In **Science**, we explored what different animals eat, what the most popular pet in the UK is (a dog) and discussed what our pets like to eat.

## Celebrations & Pupil Voice

**Work on the Wall:** Danny and Orson for their great script and presentation of their food dish.

**Headteacher's Award:** Nigel and James for showing love and respect to their peers, adults and their work.

**Shining Stars:** Lily, William, Ed, Georgie,

**Pupil Voice:** "My favourite subject is history!"

"Can we actually make our dishes?"
