

Squirrels Class Newsletter.

6th February 2026

What have the Squirrels been up to this week?

- In **RE**, we spoke about 'How Do Christians Live Out the Good News?' We looked at different Christian Charities and their logos. We made a logo for the themes we have been looking at this term: friendship, forgiveness, and peace.
- In **English**, we have been exploring thoughts and feelings of the characters in Beegu. Before starting to write a goodbye letter from the children in the story.
- In **Maths**, we have started adding 2 two-digit numbers together and using a place value grid to keep track of our tens and ones.

Our Core concept this term is:

Perception and Empathy

In art, we painted our own picture of what we thought Beegu's plant might look like.

In geography, we compared the village of Stelling Minnis to the city of Nairobi. We used a Ven diagram to compare what is similar and what is different.

Celebrations and What the Squirrels have to say...

For our 'Work on the Wall'

This week Amariah and Jenson have blown me away in maths.

Amariah has really worked hard adding tens and ones together, finishing the week working independantly. Well done Amariah.

Jenson has had brilliant perserverance in maths this week, coming back to an adult again and again and not backing down until he got it right. You should be proud of yourself Jenson, because we are.

Our Headteacher's Award

I received a note from Mrs Horton to say **Roscoe** has tried really hard in PE as well as having a positive attitude, Miss Lee said he was being so brave and working on his jumps in gymnastics. Great job Roscoe.

Our Pupil Voice

The children and Beegu are friends!
