

Badgers Class Newsletter.

Friday 10th October 2025

What have the Badgers been up to this week?

- In RE this week we had a look at cathedrals and how they reflect what Christians believe about God.
- Our super class worship on Wednesday! Well done - it was beautiful and I was so proud of you.
- A super Harvest Festival service.
- We have continued reading war horse - we have written in role as Joey this week.
- We have been working on square and cube numbers. We have done daily arithmetic also.
- In Art we recreated a piece of our choice by John Piper in Water colour.
- We celebrated a great week with a jam doughnut treat on Friday - well deserved Badgers.

School Trip: Monday - Hawthorne Trench.

- Drop off in Elham at 9:30am - I will meet you all there. Pick up at 3:00pm
- All children will need to bring a packed lunch please and a water bottle.
- Children can wear non- school uniform but need to be in appropriate clothing - we will be asking the children to wear a school high-vis jacket for the duration of our visit.

Celebrations and What the Badgers have to say...

For our 'Work on the Wall' - this week we are celebrating Roman and Harriet. I picked Roman because of his outstanding contributions in our RE lesson this week. Roman could tell us that the Christian architects designed Canterbury Cathedral to look the way it does because that's what they believed heaven to look like - we were all super impressed with his knowledge. I have also chosen Harriet because she has been working super hard this week across all subjects. And as head girl has been a great role model and for that I am very grateful - well done.

Our Headteacher's Award is for Orson this week! Orson has had a super positive week and that needs celebrating. He has been particularly enthusiastic and contributing well to class discussions in RE and English. Well done - I am very proud!

Our Pupil Voice:

"Well you know what, I thought that was rather good, I enjoyed that" Orson after our class worship.
