

Otters Class Newsletter

Friday 24th May 2024

What has been happening this week?

In **RE**, we explored the answer to our topic question – ‘when Jesus left, what was the impact of Pentecost?’

In **English** – we drafted, edited and wrote up our diary entries about Oliver or Iris looking specifically at our neat handwriting for our final write.

In **Maths**, we collected data about the class’ birth month, favourite colour and shoes size. We created our own human graphs and then drew them in our books.

In **Art**, we made banana muffins as our final cooking lesson of the term.

In **Spanish**, as we have been learning about different foods and how to explore what we like and don’t like, we ended the term with a Spanish picnic for the whole of KS2.

Also this week, we collaborated with the Mice and made our own stick art. We also played a game of rounders against the Badgers.
