

Otters Class Newsletter

Friday 19th April 2024

What has been happening this week?

In **RE**, we started to look at Pentecost – the period that followed Jesus' crucifixion

In **English**, we started looking at our new book – Oliver and the Seawigs and explored some of the characters.

In **Maths**, we are learning how to tell the time on both analogue and digital clocks including the 24hour – please encourage your children to tell the time at home.

In **Science**, we looked at states of matter and gave examples for solids, liquids and gases. Also we made some ice, melted it and now waiting for it to evaporate.
