What has been happening this week?

In **RE**, we explored the story of Jesus healing the leper and the story of the good Samaritan and discussed what we learn and how these stories might show us how Jesus wanted us to behave.

In **English**, we researched the new character of Charlotte (a spider) in our story, wrote Kenning poems and read further in to the stories, looking at how the characters feelings change.

In **Maths**, we have been looking at mm, cm, m and km and how to add and subtract lengths as well as calculate perimeter.

In **Science**, we had a great time at the Minnis exploring our local area and looking at the plants and animals that habit there.
