

# Squirrels Class Newsletter

Friday 6th September 2024

## What has been happening this week?

**In English...** This week we have been writing and drawing about our summer holidays. Ms Barnett was very impressed with how hard everyone worked and how much effort the children put into their work.

**In Maths...** The number taker visited Squirrel class and stole some of our numbers. Thankfully Squirrel class are excellent mathematicians and replaced all the numbers stolen to defeat him!

**In PSHE...** We made a heart to show all the different ways we can find love around us. We have been learning all about our school values in Worship this week.

The children have had an excellent first week and are very tired !
