

Otters Class Newsletter

Friday 22nd November 2024

What has been happening this week?

In **RE**, we explored the stories from Matthew, Mark, Luke and John and explored key themes and messages from their stories.

In **English**, we looked at different poems about teachers and then had a go at writing our own poems about a special adult in school. We also looked at nature in poetry and begun to compile our poetry anthologies.

In **Maths**, we finished learning all our Times Tables. Year 4s have until June to become more familiar with them and pick up speed.

In **Science**, we spent the afternoon looking at electrical components and making our own circuits.
